SIGHT SAVERS INTERNATIONAL

The Caritas Group have organised a fundraising appeal for Sight Savers who work in more than 30 countries to eliminate avoidable blindness.

The appeal commences on **Sunday 24th July to Sunday 21st August.**

Sight Savers work to prevent and treat avoidable blindness. Trachoma a painful eye infection that is the world's leading cause of preventable blindness, and occurs where people live in overcrowded conditions with limited access to clean water and health care, it spreads easy from child to child. Antibiotic treatment that can stop this painful condition and save sight costs less than £1.

80% of blindness in the world is avoidable, that sounds unfair.

Envelopes will be available at the back of church.

Thank you for your continued support.
