ST JOHN'S & ST MICHAEL'S FINAL SERVICES POSTPONED

Due to a delay in the production of the Draft Scheme (legal procedure for the closure of churches) and its publication, we have been informed that **the final services at St John's and St Michael's cannot take place on 5th and 12th June respectively.** This is because people can make representation at any time up to the 6th June and there has to be time for representations to be heard.

A date for the final service will be made when the legal process is completed.

MASS INTENTIONS

Because of the number of requests for masses at 10.30am on Sunday it is proving difficult to have this mass intention given as the first mass for those who have recently died, as has been traditional. It would not be desirable to double up on this intention.
